

Third Annual

Tiverton Rod and Gun Club & Newport Rifle Club

INTER-CLUB SHOOT

Club teams will be formed in order to participate in three events at each organization (no limit to team size). Not all team members have to shoot each match, but the overall team has to complete each match. The top five aggregate scores from each club will comprise the total team score per match. This is repeated for each match to determine the overall winning club. Participants may only shoot for one club. Loaner firearms are available for each event.

The objective of this event is to foster friendly competition between TRGC and NRC. The event shall offer a safe format that includes a team atmosphere for all skill levels!

13th
